GOVERNMENT OF MYSORE

No C 53-234 OFFICE OF THE DIRECTOR OF PUBLIC HEALTH
Encls Two

IN MYSORE,

BANGALORE
April 18,1944

To

The Secretary to Government,
Law Department, Bangalore

Sir,

I have the honour to enclose herewith copies of letter written to the President, City Municipal Council, Mysore with its enclosure inconnection with the construction of 2 overhead tanks of 20,000 gallons capacity each instead of 30,000 gallons capacity tank for which the Municipal Council have agreed at the Municipal Meeting held on the 8th instant. The Municipal Council was very particular that the work is to be taken on hand immediately The contractors have offered a cost of Rs 7,920/- each I request that you may be so good as to obtain orders of Government approving the offer of the Company so that the tenders may not be called for once more and the work undertaken immediately

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOROF PUBLIC HEALTH

To

The President,
City Municipal Council, Mysore.

SIR,

I have the honour to enclose herewith a copy of the letter received from the Superintendent, Vani Vilas Water Works, Mysore, in connection with the construction of 30,000 gallons capacity overhead tank in Lakshmipuram, Mysore. As I stated at the Municipal Council Meeting the contractor has refused to accept the contract because the design has been changed and one tank has been changed to two tanks As the contractors have agreed to execute the two tanks at a cost of Rs 7,920/- each, I request you to kindly intimate immediately whether you are agreeable to pay the amount of Rs 15,840/- that is, Rs 5,840/- more than the accepted tender rate of Rs 10,000/- for one tank. In addition, it will be necessary to write to Government to obtain their orders to give permission to give this contract to this extent without calling for fresh tenders. I request you to kindly furnish information whether the Municipal Council is prepared to pay the additional amount so that Government may be addressed in the matter.

I have the honour to be,
Sir,
Your most obedient servant,
Sd P.Parthasarathy
Director of Public Health.

Re. 20,000/- gallons overhead tank for Lakshmipuram Mysore

I have the honour to report that the above item is one of the work for improvements to water supply at an estimated cost of Rs 12,500/- in Mysore City and works authorised to be taken up and funds also placed at the disposal of the Bureau by the President,City Municipal Council Mysore in May 1943 Quotations were called for in Sanitary Engineer's office and that of Messrs. The Mysore Irrigation and Construction Company accepted for Rs 10,000/- The selection of the site was made by the Sanitary Engineer and referred to the Municipal ~~Council~~ President for acquisition The proposed site could not be acquired and it was finally settled in the Works Committee of the Municipal Council that two tanks of 20,000 gallons quantity each may be put in on the foot paths in Vani Vilas Road The position of these places on the Vani Vilas Road were marked by the Municipal Engineer and plan received in this office on 14 3.1944 The contractors were immediately requested to furnish their opinion regarding undertaking the work and they have in reply offered to execute two tanks at Rs 7,920/- each Vide copy of their letter enclosed herewith

In the above circumstances, the work cannot be taken up immediately (1) since the additional funds required for the work will have to be made available in consultation with the President City MunicipalCouncil, Mysore (2) since the original design has altered and the work has to be retendered for to settle the contractors and if (3) on account of the extreme urgency of the situation the work has tobe taken up by Messrs The Mysore Irrigation and Construction Company accepting their quotation of Rs 7,920/- for each tank as in the case of H H the Maharaja's own Infantry lines special ~~sanction~~ of Government will have to be obtained to give the work to the above contractors without calling for further tenders and at rates accepted for silimar works in Mysore City

I would request ~~you~~ the subject may kindly be discussed with the Director of Public Health and disposed off early ~~and~~ to take up the work on hand as the Municipal Council are severely pressing for the speedy execution of improvements
